1948 marks the silver anniversary of Rossford High School. It was just twenty-five years ago that the first graduating class marched down the aisle to the tune of "Pomp and Circumstance".

During the last quarter century, great progress has been made at Rossford High, but we must not allow ourselves to become complacent and satisfied with things as they are. Instead, as members of R.H.S. alumni, we should lend our influence to improve our school and its prestige.

If in the years to come, as we open this book, it helps to recall cherished memories of this school year and of the last quarter century, we will consider our publication a job well done.

There is no liberty without toil. To enjoy the freedom of the sunshine, the germinating seed must lift and throw aside the clod which outweighs it a thousandfold.

As you who are of the Class of 1948 enter the portals of adult life you will hear the siren song of many a false prophet. The burden of their enticing message is that work and performance are the trappings of a decadent, outmoded and discredited era.

Be not deceived. Think not so. Without the putting forth of physical and mental effort all men are weaklings. There is no real happiness save that which results in using one's strength and talents in honest endeavor. As you enter the workaday world greet work with a good will. Let no man laugh you out of its benefits. Say to your environs "Give me a task worthy of persistent application". Toil saves one from the life of a parasite, enabling him to pay his own way, at the same time leaving the world brighter and richer because of his toil.

"Let us then be up and doing"

Henry Werner Jr., President

Rossford Village Board of Education

G. H. Burns, Superintendent

It is well that we pause periodically for a brief backward glance at the milestones of progress in the life of any institution and then, facing forward again, boldly chart a new course for it in the light of its past experience. On the twenty-fifth birthday of Rossford High School, we pause for such a review of the past. While for most of us it is difficult to imagine the time when there was no Rossford High School, its past history is remarkable for things accomplished rather than for length of time. In scholarship its students have always ranked high, and in music and other cultural activities progress has always been upward. The many trophies won are ample proof of the excellence of its athletes. As citizens in the community and in the service of our country, Rossford alumni have set a record that would be hard to match.

Turning from the glories of the past it is my earnest hope that Rossford High School will continue to progress and the achievements up to this silver anniversary become a challenge to present, as well as future, students to strive toward even higher goals.

Mr. Burns, Superintendent

F. O. Ellsworth, Principal

Students of Rossford High School have a right to be proud of their school. We have a fine school which provides opportunities for an education in various fields. It is up to us to make the most of these privileges.

We, your teachers, rejoice when our students achieve success in scholastic activities. We hope that you seniors, as you go out from Rossford High will continue to earn our respect and admiration.

Class History

In the fall of 1944, we proudly started our first year of high school with Evelyn Semanski as our leader. High School life was new for us; therefore not much was accomplished the first year.

As Sophomores, under the leadership of Joe Tymiak, we participated in more school activities. Our skating party was a huge success as was our class party in Feb. where everyone enjoyed themselves. The boys also found other interests in life such as females, instead of just mingling among themselves. The same thing was true for the girls.

Our Junior year was one in which we accomplished the most. Under the guidance of Dan Parker, and with the aid of our advisers, Mr. Butt and Mr. Wolfe, we worked frantically to raise enough money for our Junior-Senior Ball. We topped all previous records in the sale of magazines, sold candy, and sponsored dances after basketball games. To bring this busy year to an end, we sponsored our Junior-Senior Ball at the Maumee River Yacht Club, May 23, 1947.

And as we come to the end of our fourth year, as Seniors we look over our many happy times that we enjoyed in Rossford High School. Our Senior officers were: President, Tom Langevin; Vice President, Louis Gwozdz; Secretary, Delores Krupianyk; Treasurer, Sophia Hendrzak. Under their able leadership we sponsored the Senior Prom which was enjoyed by everyone who attended.

On graduation day, May 26, 1948, as we cross our last achievement before we take our place in our world, we wish to express our best wishes to the class of 1949 and may they enjoy all the successes and accomplishments which we enjoyed during our last year as students of Rossford High School. We also wish to express our sincere thanks to our able teachers for their guidance and understanding in helping us to reach our desired goal.

Membership in the Honor Society is, as the name implies, one of the greatest honors that can be bestowed upon a high school student.

The members are selected for their scholarship, character, leadership, and service. To be elgible for the Honor Society a student must be scholastically in the upper one third of either the Junior or Senior class. Only 15 percent of the latter and 5 percent of the former are selected each year.

Female Robinhoods

The Girl's Athletic Association offers girls an opportunity to participate in after school sports. This year the sports played were: soccer, volleyball, tennis, archery, basketball, baseball, swimming, and bowling.

In the fall the club held a roast at Pierson Park. During February they sold pencils engraved with the school song.

To Find and Give the Best—

The Y-Teens, under the direction of Miss Collins, adviser, and Frances Jarosi, president, did a number of things this year. They gave a party for the basketball and football teams, aided the March of Dimes, sold pop-corn at the basketball games, and sold mistletoe at Christmas. The girls also held several potlucks and a roast. The club sponsored three religious assemblies during Lent.

Rossford's Newest Club—

The Rossford Commercial Association, better known as the R.C.A., was formed this year by girls in the commercial classes.

The purpose of the R.C.A. is to better acquaint girls with the personal characteristics of the modern career girl. These include such things as make-up and dress. At their meetings the girls had guest speakers who spoke on these characteristics.

Future Retailers

The F.R.O. of Rossford High constitutes a chapter of the Future Retailers of Ohio. This club is made up of pupils in the salesmanship course with Mr. Butt as adviser.

This year the members held dances after the games and gave a Valentine party on February 14. They also had charge of the arrangements made for the students who worked before Christmas.

Barking Bulldog Journalists

This year the staff of the school paper decided to try a new name. After much debate the R-Echo was changed to the Barking Bulldog. This name was chosen because the bulldog is the symbol of Rossford High.

The staff had only three permanent officers, the rest alternated for each edition of the paper.

Varsity Football

Early this Spring Coach Bob Lewis made a call for new and veteran pigskin artists. His answer was highly pleasing.

Boasting as creditable a team as could be found in this area, the Bulldogs won 4, lost 2, and tied 2 games. This is a fine mark for next year's team to shoot at, and with the advantages of having the facilities of a new stadium, their chances are excellent for the fall of 1948.

Lightweights

They Have a Name to UP-Hold

The task of these young basketball players is not an easy one. They have a proud name to up hold and titles to defend. They can be counted on, in years to come, to maintain the proud name of Rossford in this State.

Such are the conditions that these boys, coached by Bob Lewis, are playing under. Although their season, as records go, was not too successful, they have gained much in experience through their fine playing this year.

G. N. C. Champs

There is one sport that will never die at Rossford. That is basketball. The basketball teams at R.H.S. have for many years been recognized as the finest to come out of a school of its size anywhere. Carrying on that tradition, we have another great team in this 1947-1948 season.

Coach George Wolfe has every reason in the world to be proud of his team this year. Their 13 won, 4 lost record was as fine as any team in this area could boast. Not only that, but they sucessfully defended the Great Northern crown for the third straight year being undefeated in 10 tries in the league.

THIS IS THE NEW LOOK!

In early civilization, people peered curiously at their reflections in still pools of water. Nowadays, people rely on their mirrors to determine what other folks will see.

Because a mirror is so critical, it is essential that it be made of Polished Plate Glass. Only mirrors made of Polished Plate Glass give true and undistorted reflections.

Libbey-Owens-Ford for years has made this kind of glass—ground and polished on both sides—and many of America's finest mirrors are made of it. When you buy a mirror, be sure that it bears the familiar red, white and blue L.O.F mirror label —your assurance of fine quality.
